10.00% 51.00% Credits Played: The amount of onscreen credits wagered on a video gaming
machine (VGM). This amount includes Credits Played resulting from; (a) cash and vouchers
inserted into a VGM, and (b) any Credits Won used to make a wager on a **VGMM**. Free Play
Allowance: The amount of promotional free play included in Credits Played that is subsidized by
the State through a reduction to Net Win. Credits Won: The amount of onscreen credits won on a
VGM (prize payout). Also includes any progressive jackpot liability due to players. Net Win: The
net revenues remaining after payout of prizes to players. (Credits Played less Credits Won) Net win
is commonly referred to as "Hold" or "Net Machine Income". Education Contribution: The portion
of Net Win allocated to the State Education Fund for direct aid to education. Agent Commission:
The portion of Net Win paid to the operator as compensation for operating the gaming facility. Most
operating expenses of the gaming facility are paid from the agent commission (including the horse
racing subsidies), with the exception of the gaming floor itself, which is provided by the other
vendors and paid for by the Lottery. Effective April 12th, Chapter 59 of the Laws of 2019 repealed
and replaced the existing marketing and capital award programs. Pursuant to the new provisions,
agent commission rates are inclusive of marketing and capital award funds. Agents shall dedicate
4% of net win, subject to a **\$2.6 million** annual cap, to capital award projects. Gaming Floor &
Admin: The portion of Net Win used to reimburse gaming floor vendors (central system and game
machine providers) and administer the Video Gaming Program (sometimes labeled "Lottery
Administration"). Additional Commission: Agent Commission does not reflect "additional
commission" paid to Batavia pursuant to sections 1612 of the tax law. Education Gaming Floor

Gaming Commission Distribution of Net Win: Definition of Terms Distribution of Net Win per
Legislation Agent Commission Aid to Municipalities with Video Lottery Gaming Facilities Program
Beginning in FY 07/08, in accordance with **Section 51-D** of the State Finance Law, cities, counties,
towns, or villages that host a video lottery gaming facility will receive annual aid payments from
the Office of the State Comptroller. State aid payments made to an eligible municipality are used to
defray local costs associated with a video lottery gaming facility, to reduce real property taxes, or to
increase support for public schools. In Fiscal Year 2025-2026 host municipalities of the Batavia
Downs Casino facility were scheduled to receive the following aid payments: Batavia Downs
Gaming 8315 Park Road Batavia, NY 14020 www.batavia-downs.com (555) 344-3700
